

Kevin A. Przybyl
BREATHE EASY FOUNDATION, Inc.

On behalf of the Kevin A. Przybyl Breathe Easy Foundation, I would like to invite you to participate as a sponsor for this year's **Breathe Easy Golf Tournament** on October 1, 2011. This is our second annual golf tournament and it will be held once again at Reunion Resort in Orlando, Florida. Participants will compete on the "*Independence*" designed by legendary golf pro Tom Watson. All proceeds from this tournament will go towards benefiting patients with Cystic Fibrosis.

The Breathe Easy Foundation was founded as an Orlando-based 501(c)(3) non-profit organization in January of 2010 by a young man battling cystic fibrosis himself. Kevin has first-hand knowledge of the daily struggles facing CF patients and their families. He has committed this foundation to supporting them financially, physically, and emotionally. He, along with the foundation's all-volunteer board, have spent the two years spreading awareness and raising funds to begin providing the assistance these patients so desperately need.

By becoming a sponsor for our **Breathe Easy Golf Tournament**, you can help us provide individual financial assistance to patients and help fund community projects that benefit CF patients in the Central Florida area. Just this year, the Foundation helped fund a remodel of some of the patient rooms at Winter Park Memorial Hospital for the use of CF patients.

Please consider taking part in this event by looking over our sponsorship information sheet. There are several levels of sponsorship available, each with significant perks and advertising opportunities. We are confident that you will be pleased with the level of exposure your sponsorship will grant you. Not only will you benefit from the exposure to our participants, but to the general public as well through our advertising efforts prior to the event. In addition, for every sponsor your company refers that attends this event, your company will be entered to win a prize. We have a similar incentive for individual golfers, so we encourage you to not only invite other sponsors but other golfers as well.

Your participation will certainly add to the success of this great event. If you would like to participate, we ask that you contact us by **September 16, 2011**, so that we can ensure you the most complete publicity and exposure possible. All donations to our organization are completely tax deductible. Thank you for taking the time to support this foundation and the thousands of patients that will benefit from its continued work and success. Please do not hesitate to contact us with any questions regarding this event or our foundation.

Thank you,

Michele Przybyl
